Rain or Shine!

Register Now!

Online as an individual or as a team at www.VoicesOfRI.org or email us at BJ@VoicesOfRI.org and we will email your registration form to you.

Our Annual Walk/Run is the Colorectal Cancer Alliance's signature fundraising event and helps us fund our mission to knock colorectal cancer out of the top 3 cancer killers. Funds raised support colorectal cancer prevention and patient support programs, like the Blue Hope Prevention Award, which helps people who are uninsured or under-insured get a colonoscopy at minimal cost. Call 877-422-3020 for more information.

You can participate individually or by forming teams and/or recruiting sponsors.

Screening Saves Lives. Fact No. 7 out of 10: People with early stage colorectal cancer often have no symptoms.

Entry Fee:

On or Before July 18: \$10
After July 18: \$15
Walk in August 5: \$20
